### Data Protection:

We will store and process your data for the execution of your order, and – if necessary – may pass them on ring fenced to involved service partners. That applies as well for personal data of named contact persons or staff of your company. You agree to this with your signature and confirm that you have the appropriate consent of these persons. You can revoke this data storage at any time informally. Detailed information about our data privacy and protection policy are available at: [www.sensor-test.com/privacy](http://www.sensor-test.com/privacy).
