

# SENSOR+TEST 2022

## DIE MESSTECHNIK-MESSE

### The Measurement Fair

10.-12.5.2022, Nuremberg, Germany

#### APPLICATION for the Special Forum “Sensor and Measuring Technology for the Digital World”

The special forum “**Sensor and Measuring Technology for the Digital World**” was initiated for all institutions and companies which would like to present their innovative applications, products, technologies and services in regard to this special topic. Our “**all-inclusive**” offer enables them to present their products and applications at very favourable terms to an international clientele.

#### The participation package includes the following services:

- Poster panel (white) with company name in short form
- 1 spotlight
- 1 lockable sideboard, 1 bar stool
- 1 socket incl. power consumption
- Stand cleaning
- AUMA fee
- Basic marketing (visitor promotion and care, press and PR work, social media, advertising measures on site and 2 exhibitor passes) as well as the attendance at the exhibitors party
- Media flat rate (unlimited quantity of advertising material, full address entry in the online catalog with text and 5 product groups, product news in unlimited quantity, presentation of product video for the digital agenda, continuous promotion of exhibitors information via the SENSOR+TEST newsletter and social media channels up to December 2022)
- Entry in the “guided tour”, i.e. a highlighted entry in exhibition publications

Cost for this “all inclusive” package: € **1.450,-** plus statutory VAT valid at the time of the event, if the service is taxable in Germany.

\* For bookings of a second participation on the special forum: € **950,-** (plus statutory VAT)

**Application as direct exhibitor**

#### Data Protection:

We will store and process your data for the execution of your order, and – if necessary – may pass them on ring fenced to involved service partners. That applies as well for personal data of named contact persons or staff of your company. You agree to this with your signature and confirm that you have the appropriate consent of these persons. You can revoke this data storage at any time informally. Detailed information about our data privacy and protection policy are available at: [www.sensor-test.com/privacy](http://www.sensor-test.com/privacy).

Date, company stamp, legally binding signature \_\_\_\_\_

The special forum will have an attractive and uniform design. A participation is solely possible with the above-mentioned package. There will be no refund for services not occupied. Additional services can be booked according to the offers of the organizer.

With this application for the special forum “Sensor and Measuring Technology for the Digital World” the exhibitor accepts the Terms and Conditions of Participation of SENSOR+TEST 2022 and the special agreements stated in this offer. Detailed information at [www.sensor-test.com/Exhibitors/Application](http://www.sensor-test.com/Exhibitors/Application).
