

SENSOR+TEST 2022

DIE MESSTECHNIK-MESSE

The Measurement Fair

10.-12.5.2022, Nuremberg, Germany

APPLICATION for the Special Stand „Vision Sensors and Systems“

The special stand dedicated to “**Vision Sensors and Systems**” was initiated for all institutions and companies which would like to present their innovative applications, products, technologies and services in this field. Our “**all-inclusive**” offer enables them to present their products and applications at very favourable terms to an international clientele.

The participation package includes the following services:

- Poster panel (white) with company name in short form
- 1 spotlight
- 1 lockable sideboard, 1 bar stool
- 1 socket incl. power consumption
- Stand cleaning
- AUMA fee
- Basic marketing (visitor promotion and care, press and PR work, social media, advertising measures on site and 2 exhibitor passes) as well as the attendance at the exhibitors party
- Media flat rate (unlimited quantity of advertising material, full address entry in the online catalog with text and 5 product groups, product news in unlimited quantity, presentation of product video for the digital agenda, continuous promotion of exhibitors information via the SENSOR+TEST newsletter and social media channels up to December 2022)

Cost for this “all inclusive” package: **€ 1,450,-** plus statutory VAT valid at the time of the event, if the service is taxable in Germany.

Data Protection:

We will store and process your data for the execution of your order, and – if necessary – may pass them on ring fenced to involved service partners. That applies as well for personal data of named contact persons or staff of your company. You agree to this with your signature and confirm that you have the appropriate consent of these persons. You can revoke this data storage at any time informally. Detailed information about our data privacy and protection policy are available at: www.sensor-test.com/privacy.

Date, company stamp, legally binding signature _____

The special stand will have an attractive and uniform design. Participation is solely possible with the above-mentioned package. There will be no refund for services not occupied. Additional services can be booked according to the offers of the organizer.

With this application for the special stand “Vision Sensors and Systems” the exhibitor accepts the Terms and Conditions of Participation of SENSOR+TEST 2022 and the special agreements stated in this offer.
