

SENSOR+TEST 2027

DIE MESSTECHNIK-MESSE

The Measurement Fair

11.-13.5.2027, Nuremberg, Germany

APPLICATION "Calibration Area" – Joint Booth

The topic of "calibration" is at the top of most companies' to-do lists. With an increasing number of sensors and measuring points, the use of modern digital and automated calibration concepts is becoming a decisive competitive factor for the entire technical industry.

The „**Calibration Area**“ as well as a complementary best practice lecture series will provide an ideal platform for the innovation dialog between manufacturers, calibration service providers and users.

The participation package includes the following services:

- Small booth (4 sq.m.), 2 open sides, incl. 4 wall elements, company name, carpeting
- 1 wooden table (l 150 cm x w 60 cm x h 73 cm) – closed at the front, 2 chairs
- 1 triple socket incl. power consumption
- 2 LED arm spotlights
- Stand cleaning, waste disposal
- AUMA fee
- Basic marketing (visitor promotion and care, press and PR work, social media, advertising measures on site and 2 exhibitor passes) as well as the attendance at the exhibitors' party
- Media flat rate (ticket link for your visitor promotion in unlimited quantity of advertising material, full address entry in the online catalog with text and 5 product groups, product news in unlimited quantity, continuous promotion of exhibitors' information via the SENSOR+TEST newsletter and social media channels up to December 2027)
- Entry in the "guided tour", i.e. a highlighted entry in exhibition publications

Cost: **€ 3,750** for one unit, respectively **€ 2,835 *** for each further one. All prices plus statutory VAT valid at the time of the event, if the service is taxable in Germany.

** The reduced price is also applicable, if exhibitors already booked a stand and order an additional unit at the "Calibration Area".*
