

SENSOR+TEST 2027

DIE MESSTECHNIK-MESSE

The Measurement Fair

11.-13.5.2027, Nuremberg, Germany

APPLICATION "Condition Monitoring" – Joint Booth

Monitoring the condition of vehicles, machines and systems is the supreme discipline for sensors and measuring systems. The SENSOR+TEST 2027 dedicates a special focus to this area of application and presents innovative solutions and systems whose data and diagnostic results create the basis for maintaining safe, efficient, environmentally friendly and economical operating conditions.

The „**Condition Monitoring Area**“ as well as a complementary best practice lecture series will provide an ideal platform for the innovation dialog between manufacturers, developers and users.

The participation package includes the following services:

- Poster panel (white, size: w=99 cm, h=242 cm, poster size: w=95 cm, h=140 cm) with company name in short form, carpet (color azur)
- 1 lockable sideboard (white, size: w=101 cm, h=72 cm, d=53 cm), 1 bar stool
- 1 triple socket incl. power consumption
- 1 LED arm spotlight
- Stand cleaning, waste disposal
- AUMA fee
- Basic marketing (visitor promotion and care, press and PR work, social media, advertising measures on site and 2 exhibitor passes) as well as the attendance at the exhibitors' party
- Media flat rate (ticket link for your visitor promotion in unlimited quantity of advertising material, full address entry in the online catalog with text and 5 product groups, product news in unlimited quantity, continuous promotion of exhibitors' information via the SENSOR+TEST newsletter and social media channels up to December 2027)
- Entry in the "guided tour", i.e. a highlighted entry in exhibition publications

Cost: **€ 2,650** for one unit, respectively **€ 1,735 *** for each further one. All prices plus statutory VAT valid at the time of the event, if the service is taxable in Germany.

** The reduced price is also applicable, if exhibitors already booked a stand and order an additional unit at the "Condition Monitoring Area".*

Data Protection:

We will store and process your data for the execution of your order, and – if necessary – may pass them on ring fenced to involved service partners. That applies as well for personal data of named contact persons or staff of your company. You agree to this with your signature and confirm that you have the appropriate consent of these persons. You can revoke this data storage at any time informally. Detailed information about our data privacy and protection policy are available at: www.sensor-test.com/privacy.

Date, company stamp, legally binding signature

The "Condition Monitoring Area" joint booth will have an attractive and uniform design. A participation is solely possible with the above-mentioned package. There will be no refund for services not occupied. Additional services can be booked according to the offers of the organizer.

With this application for the "Condition Monitoring Area" the exhibitor accepts the Terms and Conditions of Participation of SENSOR+TEST 2027 and the special agreements stated in this offer.
