Assembly and Dismantling of Stands/Delivery

Assembly:

Sa. 03 May 2025 7:00 – 24:00
 Su. 04 May 2025 0:00 – 24:00
 Mo. 05 May 2025 0:00 – 20:00

Dismantling:

Th. 08 May 2025 17:00 – 24:00
 Fr. 09 May 2025 0:00 – 20:00

Dismantling is not permitted before 17:00 h on Thursday, 08 May 2025!

AMA Service GmbH is entitled to dismantle and store stand equipment and exhibits at the exhibitor's cost if the stand space is not cleared by the end of the official dismantling period.

We recommend that companies with display vehicles or heavy, large or bulky exhibits should deliver these as early as possible (on the 1st day of assembly), as it may not be possible to drive trucks into the exhibition halls at a later time.

Don't forget: You and/or your stand constructor have to book time slots for unloading and loading via TransITfair, the new logistic system of NürnbergMesse. Detailed information at: www.sensor-test.de/en/direct/transitfair.

Please inform your stand construction company, that all staff members have to register in advance in our ticket shop. Further information and the ticket code for the free registration are available at www.sensor-test.de/en/direct/brief-details.

Banking Service

Cash dispensers are available at the Frankenhalle on the forecourt "Mitte".

Catering Service

Lehrieder Catering-Party-Service GmbH & Co. KG
 Messezentrum 1, D-90471 Nürnberg
 Tel. +49 911 93580800, standcatering@lehrieder.de, www.lehrieder.de

Charging Stations on the NürnbergMesse fairgrounds

An information sheet is available under "Brief Details" on the exhibitor pages at www.sensor-test.com.

Conferences and Conference Desks

The SMSI 2025 Sensor and Measurement Science International Conference will take place in NCC West. The conference desk will be situated in the entrance area.

Exhibition Guides

You may collect your two free copies of the SENSOR+TEST 2025 exhibition guide during the assembly period and the exhibition days at the information desks or in the organizer's office in hall 2, booth 2-114.

Exhibitors' Kitchen

Exhibitors requiring cold or warm water can use the kitchen set up for this purpose in the basement of Service 1 during the event.

Exhibitors' Party

We cordially invite you to the Exhibitors' Party which will take place on Tuesday, 06 May 2025, starting at 17:00 h in the foyer of Eingang Mitte.

Exhibitor Passes

You already received the ticket codes for the exhibitors' passes included in the media flat rate (and for ordered ones as well).

Please inform the members of your stand staff implicitly, that they must register in advance. If you will need additional exhibitors' passes, please order them with form P3.

Exhibitors' Service

During assembly and during the exhibition employees of Hummel, Holtmann and Wörnlein are available on site at the Service Point (between halls 5/6, top floor) and will be pleased to answer any questions concerning services, stand construction, rental furniture and sundry materials. You can reach the Service Point through the Messepark/Exhibition Park (Hall 5 is occupied by PCIM and you may have to register).

If the Service Point is closed, contractors can be contacted by phone as follows:

Hummel	Furniture hire	Tel. +49 911 8606-6303
Wörnlein	Stand construction, furniture hire Lettering and sundry materials	Tel. +49 911 817449-0

Counter	Sa. 03.05.	Su. 04.05.	Mo. 05.05.	Tu. 06.05.	We. 07.05.	Th. 08.05.	Tel. +49 911 8606--
Service 1/2	8 – 17	8 – 17	8 – 18	8 – 17	8 – 17	8 – 17	6178
Eingang/Entrance Mitte			8 – 18	8 – 17	8 – 17	8 – 17	6864

Parking for Trucks, Vans, Trailers etc./Shuttle Service

The above-mentioned parking permits are only valid for cars.

The parking of trucks, trailers, vans, platforms, caravans, mobile homes etc. is prohibited during the trade fair in the areas marked as parking areas as well as in the loading yards of the Exhibition Centre Nürnberg.

Such vehicles can be parked free of charge during the trade fair in the parking areas marked for this purpose by NürnbergMesse. The route to these parking areas is signposted (location maps will be distributed at the entrances to the loading yards).

For this please also note the information about the **logistic system** of NürnbergMesse at: www.sensor-test.de/en/direct/transitfair.

Exhibitors ensure that third parties appointed by them - such as exhibition service companies, hauliers etc. - also comply with these regulations.

The organizer is authorised to remove any trucks, trailers, vans, platforms, caravans, mobile homes etc. which will be parked on prohibited areas at the expense of the exhibitor.

Press Lounge, hall 2, booth 2-110

Opening Hours:

6 – 8 May 2025: 09:00 – 17:00 h

If you have booked a media box, please deliver your press releases on 5 May 2025 to the organizer's office, hall 2, booth 2-114.

Promotional Activities outside of the Stand Area

The distribution of advertising material as well as the set up of exhibits outside of the stand area is prohibited.

Regulations for Stand Construction

All exhibitors are obligated to place stand partition walls in the height of 2.5 m at all closed sides of the stand area. Walls higher than 2.5 m must be decorated on the back side if they are visible from the neighbouring stand, and no cables must be in full view.

According to the "Conditions for Participation" plans and views of the stand must be submitted to the organizer for approval if the height of 3.50 m will be exceeded.

Risk of Theft

Your stand should not be unattended during the assembly and dismantling period. It must be staffed all along during the official opening hours.

We recommend to effect an exhibition insurance. Exhibits subject to risk of theft should be locked at night. Guarding of stands can be ordered via the OnlineShop of NürnbergMesse.

Shopping Nearby

... in the "Franken-Center" with more than 100 shops, department stores, supermarkets and service companies - only a few minutes away by underground (U1 direction "Langwasser Süd" – destination station "Langwasser-Mitte") or car (excellent parking facilities). Additionally, 50 shops are available in the main train station.

Stand Cleaning/Basic Stand Cleaning

... can be ordered via the OnlineShop of NürnbergMesse.

Stand Equipment/Installation

Particular installation work cannot be carried out until your arrival. In this case please contact the organizer's office or the staff at the information and service desks. For safety reasons it is necessary to switch off the stand power supply (lighting etc.) at night. We kindly ask you to advise your stand staff accordingly.

Traffic and Parking Regulations

Last year the NürnbergMesse started working with TransITfair, a new dynamic logistics system. This enables them to better control traffic flows on the exhibition ground in Nuremberg during assembly and dismantling. **The previous deposit regulation no longer applies, instead of this you now have to book time slots.**

Detailed information about TransITfair (step-by-step instruction for your slot booking, FAQs) are available at www.sensor-test.de/en/direct/transitfair.

Please inform your colleagues on site and your stand constructors about this new system.

Access to the loading yards for assembly and dismantling via Karl-Schoenleben-Strasse: via gate 1 b into the yards 1 + 2 (hall 1).

Transport Aids

You can order transport aids (such as lift trucks, cranes etc.) via the OnlineShop of NürnbergMesse or in connection with your booking of a time slot at TransITfair. We suggest an early scheduling.

VGN Travel Ticket

VGN Messetickets, valid for 1 - 7 days, for travelling by underground, urban railway and all other transport facilities in the Nürnberg regional transport system, can be bought online in advance at <https://shop.vgn.de>.

Waste Disposal

Unnecessary waste during assembly and dismantling as well as during the event should be avoided. This especially applies to packaging and advertising material, carpets, disposable stand equipment, empty containers, pallets and disposable crockery. Generally, reusable and eco-friendly materials should be used for stand construction and operation. Please do also note **Info 4, item 6.1.1.** in the Online Shop of NürnbergMesse.

The waste disposal service of NürnbergMesse which is included in the waste disposal flat rate includes the professional removal and recycling of any waste generated at the stand during assembly and dismantling as well as for the entire duration of the trade fair.

The disposal of production waste accumulated during the event, entire stand elements or complete exhibition stands must be ordered separately.

The disposal of waste in third-party waste containers or other facilities of the exhibition site is prohibited. Our service partner for the disposal of waste and hazardous waste:

dias Dickmann Industrie- und Anlagenservice GmbH, Tel +49 911 9808080,
nuernberg.messe@dias-service.de, www.dias-service.de

WLAN

The entire Nürnberg exhibition centre is equipped with full-coverage WLAN (Wi-Fi). Secure WLAN access for exhibitors for the whole period of the exhibition can be ordered via the OnlineShop of NürnbergMesse.
