## Assembly and Dismantling of Stands/Delivery

### Assembly:

Sa. 06 May 2023 7:00 – 24:00  
 Su. 07 May 2023 0:00 – 24:00  
 Mo. 08 May 2023 0:00 – 20:00

### Dismantling:

Th. 11 May 2023 17:00 – 24:00  
 Fr. 12 May 2023 0:00 – 20:00

Dismantling is not permitted before 17:00 h on Thursday, 11 May 2023!

AMA Service GmbH is entitled to dismantle and store stand equipment and exhibits at the exhibitor's cost if the stand space is not cleared by the end of the official dismantling period.

We recommend that companies with display vehicles or heavy, large or bulky exhibits should deliver these as early as possible (on the 1st day of assembly), as it may not be possible to drive trucks into the exhibition halls at a later time.

**Please inform your stand construction company, that all staff members have to register in advance in our ticket shop.** Further information and the ticket code for the free registration are available under "Brief Details" on the exhibitor pages at [www.sensor-test.com](http://www.sensor-test.com).

We recommend to order your parttime employees in advance via the OnlineShop of NürnbergMesse.

### Noise Pollution

The demonstration of noise-generating exhibits may not exceed 70 dBA at the edge of the stand.

Visitors and adjacent exhibitors may not be disturbed. In case of justified objections, the exhibitor might be requested to stop the demonstration.

### Occupation of Stand Space

The stand space can only be occupied if the stand rental fee has fully been paid. Therefore, "late payers" should hold a proof of payment ready on the stand.

### Opening Ceremony/AMA Innovation Award

The official opening ceremony of SMSI 2023 and SENSOR+TEST 2023 including the grant of the AMA Innovation Award will take place at the NCC West (room London) on 8 May 2023 at 4:15 pm. We look forward to welcome you!

### Opening Hours

Tuesday – Thursday, 9 – 11 May 2023

9 – 17:00 h

Exhibitors are admitted to the halls **one hour before** the official opening time of the event, on the first exhibition day 2 hours before. Stands have to be staffed at least 15 minutes before opening time. For security reasons, exhibitors must leave their stands not later than 30 minutes after closing time.

Permanent parking permits can also be bought at the information desks. Cost: 36 € each.

### Parking for Trucks, Vans, Trailers etc./Shuttle Service

The above-mentioned parking permits are only valid for cars.

The parking of trucks, trailers, vans, platforms, caravans, mobile homes etc. is prohibited during the trade fair in the areas marked as parking areas as well as in the loading yards of the Exhibition Centre Nürnberg (except for delivery, which is restricted to a maximum of 30 minutes).

Such vehicles can be parked free of charge during the trade fair in the parking areas marked for this purpose by NürnbergMesse. The route to these parking areas is signposted (location maps will be distributed at the entrances to the loading yards).

Exhibitors ensure that third parties appointed by them - such as exhibition service companies, hauliers etc. - also comply with these regulations.

The organizer is authorised to remove any trucks, trailers, vans, platforms, caravans, mobile homes etc. which will be parked on prohibited areas at the expense of the exhibitor.

### Press Lounge, hall 2, stand 2-206

Opening Hours:

9 – 11 May 2023: 09:00 – 17:00 h

If you have booked a media box, please deliver your press releases on 8 May 2023 to the organizer's office, hall 1, stand 1-670.

### Promotional Activities outside of the Stand Area

The distribution of advertising material as well as the set up of exhibits outside of the stand area is prohibited.

### Regulations for Stand Construction

All exhibitors are obligated to place stand partition walls in the height of 2.5 m at all closed sides of the stand area. These walls must be decorated on the back side if they are visible from the neighbouring stand, and no cables must be in full view.

According to the "Conditions for Participation" plans and views of the stand must be submitted to the organizer for approval if the height of 3.50 m will be exceeded.

### Risk of Theft

Your stand should not be unattended during the assembly and dismantling period. It must be staffed all along during the official opening hours.

We recommend to effect an exhibition insurance. Exhibits subject to risk of theft should be locked at night. Guarding of stands can be ordered via the OnlineShop of NürnbergMesse.

### Shopping Nearby

... in the "Franken-Center" with more than 100 shops, department stores, supermarkets and service companies - only a few minutes away by underground (U1 direction "Langwasser Süd" – destination station "Langwasser-Mitte") or car (excellent parking facilities). Additionally, 50 shops are available in the main train station.

### Stand Cleaning/Basic Stand Cleaning

... can be ordered via the OnlineShop of NürnbergMesse.

### Stand Equipment/Installation

Particular installation work cannot be carried out until your arrival. In this case please contact the organizer's office or the staff at the information and service desks. For safety reasons it is necessary to switch off the stand power supply (lighting etc.) at night. We kindly ask you to advise your stand staff accordingly.

### Traffic and Parking Regulations

During assembly, during the run of the exhibition, and during dismantling access to the loading yards is permitted only to vehicles with a temporary permit. A deposit in the amount of € 100,- has to be paid for this permit. It is valid for a **maximum stay of 2 hours** for lorries and a **maximum stay of 1 hour** for cars and buses during the assembly, respectively for a **maximum stay of 30 minutes** during the opening period.

The deposit fee will be retained if the limit is exceeded. You will receive handouts with information on the regulations for the dismantling period.

Access to the loading yards for assembly and dismantling via Karl-Schoenleben-Strasse: via gate 1 b into the yards 1 + 2 (hall 1).

### Transport Aids

You can order transport aids (such as lift trucks, cranes etc.) via the OnlineShop of NürnbergMesse. We suggest an early scheduling.

### VGN Travel Ticket

VGN Messtickets, valid for 1 - 7 days, for travelling by underground, urban railway and all other transport facilities in the Nürnberg regional transport system, can be bought online in advance at <https://shop.vgn.de>.

### Waste Disposal

Unnecessary waste during assembly and dismantling as well as during the event should be avoided. This especially applies to packaging and advertising material, carpets, disposable stand equipment, empty containers, pallets and disposable crockery. Generally, reusable and eco-friendly materials should be used for stand construction and operation.

Exhibitors are responsible for the proper and environment-compatible disposal of their unavoidable waste or must impose this responsibility to appointed subcontractors and other partners involved with their stand. Following options are available for waste disposal :

- Exhibitors arrange the waste disposal outside the exhibition site at their own cost.
- Via the OnlineShop of NürnbergMesse exhibitors can order the proper disposal of waste by the official service partner.

The disposal of waste in third-party waste containers or other facilities of the exhibition site is prohibited. Our service partner for the disposal of waste and hazardous waste:

Friedrich Hofmann Betriebsgesellschaft mbH, Messezentrum, ServicePartnerCenter  
Tel. +49 911 8128296, Fax +49 911 8128297, [messe@hofmann-denkt.com](mailto:messe@hofmann-denkt.com)

### WLAN

The entire Nürnberg exhibition centre is equipped with full-coverage WLAN (Wi-Fi). Secure WLAN access for exhibitors for the whole period of the exhibition can be ordered via the OnlineShop of NürnbergMesse.
